

LABOUR LEADERSHIP SCORECARD			Candidate	Evidence of capacity			Average score	Weighted score		
% of overall score	Objectively formulated policy and organisational requirements of labour movement and working class	Minimum requirements (additional points for innovation)		Understanding and learning potential	Commitment made	Track record & credibility			Total score	
			Unweighted mark out of 10							
Leadership areas	Political economy	25	Neo/Post-Keynesian approach to fiscal policy, in context of ongoing inflation/taxation debate but with clear primary political objective; total rebuttal of austerity measures; European institutional norms as damaging to social democratic economic policy and in need of urgent reform in cooperation with European socialist parties, including devt of ECB as 'sovereign' fiscal authority and devt of European welfare function; robust position towards adjuncts of financial capitalism including Credit Rating Agencies.	DA	2	2	2	6	2.00	5.00
				AB	2	2	1	5	1.67	4.17
				EB	4	6	2	12	4.00	10.00
				DM	1	2	2	5	1.67	4.17
				EM	4	4	3	11	3.67	9.17
Labour movement	25	Trade union legislation repeal; innovation in reconstruction of Labour movement from grassroots up, including PLP willingness to give up power and financial control to local parties and unions.	DA	2	2	4	8	2.67	6.67	
			AB	2	2	2	6	2.00	5.00	
			EB	7	3	2	12	4.00	10.00	
			DM	2	3	2	7	2.33	5.83	
			EM	4	2	4	10	3.33	8.33	
Welfare policy	10	Development of welfare policies where individuals really do count over and above bureaucratized systems, and workers are genuinely empowered to assist, not alienated from their 'clients'.	DA	5	3	4	12	4.00	4.00	
			AB				0	0.00	0.00	
			EB	6	6	3	15	5.00	5.00	
			DM	2	3	2	7	2.33	2.33	
			EM	5	3	3	11	3.67	3.67	
Foreign policy, aid & world trade	10	Re-engagement in efforts to develop genuinely just trading models that overcome the legacies of colonialism (incl debt relief); aid irrespective of geo-political importance and success measured by these criteria; not undertaking unjust wars.	DA	5	3	2	10	3.33	3.33	
			AB	2	2	2	6	2.00	2.00	
			EB	3	2	5	10	3.33	3.33	
			DM	3	3	4	10	3.33	3.33	
			EM	4	3	2	9	3.00	3.00	
Education policy	10	Focus on early years learning recognising both successes and bureaucratic failures of Sure Start model and associated developments; removal of tuition fees with universities free for all at point of entry/exit and paid through income tax made more progressive to this end; development of educational curricula such that children learn to investigate and challenge, not to obey. Private education provision not acceptable	DA	1	2	2	5	1.67	1.67	
			AB	4	3	3	10	3.33	3.33	
			EB	2	4	2	8	2.67	2.67	
			DM	3	5	4	12	4.00	4.00	
			EM	3	3	2	8	2.67	2.67	
Immigration	10	Neo-Kantian approaches to migration policy based on essential respect for all other human beings, and removal of artificial differentiation between economic migration and asylum; public services incl housing to meet any new demands developed as part of conscious welfare expansion strategy with language of 'strain' replaced by language of opportunity.	DA	5	6	6	17	5.67	5.67	
			AB	2	2	2	6	2.00	2.00	
			EB	2	1	0	3	1.00	1.00	
			DM	2	1	1	4	1.33	1.33	
			EM	2	2	3	7	2.33	2.33	
Organisation & communication	10	Development of specific short term actions in agreement with labour movement in relation to policy requirements (as above); development of appropriate language and 'register' to bring working class constituents and their organisations on board with new movements and campaigns; reflexivity of strategy to engage properly and respectfully with developments in working class strength and voice.	DA	2	2	2	6	2.00	2.00	
			AB	1	4	2	7	2.33	2.33	
			EB	5	2	3	10	3.33	3.33	
			DM	5	3	4	12	4.00	4.00	
			EM	3	2	3	8	2.67	2.67
